

PGSA contracted and guaranteed a number of rooms with the Midway Marriott. Due to September weddings, etc., the hotel is fully booked and not able to provide any additional rooms. The following is a list of hotels in very close proximity to the PGSA meeting site—many share the same greater parking area.

<http://www.midwayhotelcenter.com> lists the following prices for the hotels within their complex center and the second price is offered by the <http://www.hotels.com> website. The last two hotels are a bit farther from the Midway Marriott—walking distance of 6–10 blocks, but are on Cicero Ave. and easily accessible by car. Also, no AAA, AARP, or other discount offer has been applied to these prices.
